

# Willamette Modelers Club

Official AMA Charter Club #536

## WILLAMETTE MODELERS CLUB - MEMBERSHIP /SUBSCRIPTION APPLICATION

The Willamette Modelers Club, Inc. (WMC) is a nonprofit organization dedicated to the promotion of free flight model airplane construction and competition. The club meets on selected Saturday evenings during the Winter and Spring months at Pop's Branding Iron Restaurant in Albany, Oregon. We sponsor five or six indoor free flight competitions each year at the South Albany High School gym during the Winter and Spring, and we host three major outdoor free flight competitions in the late Summer and early Fall. These outdoor competitions are held east of Tangent, OR on local rye grass fields.

The club publishes a ten page newsletter covering Northwest Free Flight events and activities. This newsletter, *WMC Patter*, is produced on an irregular basis 8 times each year and is sponsored, in part, by Trumps' Hobbies in Corvallis. Other programs and projects include publishing the NW Free Flight Directory, sponsoring events and competitions for AMA Juniors, sponsoring model airplane swap meets, displaying at various model aviation shows in the area and related activities.

Membership in the Willamette Modelers Club is limited to current AMA members only or foreign modelers who are current members of their national organizations. Membership is on a calendar year basis. Memberships costs \$2.00 for AMA Junior age members (up to 14 years of age), \$4 for AMA Senior Age members (14 to 18 years of age), and \$6 for AMA Open age members. Membership includes a subscription to *WMC Patter*, the right to attend club meetings, make proposals and vote on various items of club business. For interested people who are not WMC or AMA members but still wish to subscribe to *WMC Patter*, the club offers a subscription for \$5.00 per year.

The club has merchandise for sale, including: WMC decals, pins and patches, t-shirts, sweatshirts and caps, as well as the Free Flight Directory noted above.

To apply for membership or to subscribe to *Patter*, complete the following and send to either: Bob Stalick, 1930 NW Heron Point Ct., Albany, OR 97321 or Linda Grell, 31748 Driver Road, Tangent, OR 97389. Make all checks payable to the Willamette Modelers Club.
